Re: Murray's memorial lectureship

All contributions should be checks or money orders made out

To: Bridgewater State College Foundation (BSC Foundation)
with a note on the check that it is expressly

For: The Abramson Colloquium

Mail To: BSC Foundation
P.O.Box 13
Bridgewater, MA 02324

The foundation's investments pool monies from separate sources and it is currently earning around 13% interest. This account is in the hands of Mr. Philip Conroy, Alumni Relations Office. He will keep me apprised of the contributions and his office will help us to solicit Faculty, Staff and Alumni (and others?) as well as aid in making presentations if necessary.

Don't wait! Help get the first Abramson Colloquium going as soon as possible.
